About PDSG

Patriot Data Solutions Group, Inc. ("PDSG") provides products and solutions that enable mission-critical applications to significantly accelerate the time to value and reduce total cost of ownership for their data-sharing initiatives. The company's flagship product, the Crossflo DataExchange® solution, helps link systems together and facilitates secure data sharing for any information exchange initiative in the healthcare, public safety and justice markets. The solution has been designed to work directly with a number of national data sharing standards, including HL7 (Health Level 7), NIEM (National Information Exchange Model), and the Global Justice XML Data Model (GJXDM). PDSG's technological innovation is backed by subject matter expertise and proven methodologies, facilitating the rapid exchange of actionable data in mission-critical applications such as clinical quality improvement and emergency services response management.

PDSG has been working with some of the nation's earliest and most innovative data exchange projects including one of the most advanced statewide data-sharing initiatives to be deployed in the United States. PDSG is the data-sharing group of Patriot Scientific Corporation, which is headquartered in Carlsbad, California (OTC BB:PTSC).
